

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This not only helps in tracking expenses but also ensures compliance with tax regulations.

In the second section, the author provides a detailed breakdown of the monthly budget. It includes categories for housing, utilities, food, and entertainment. Each category is further divided into sub-items, such as rent, electricity, groceries, and dining out. This level of detail allows for a clear understanding of where the money is being spent.

The third section focuses on the analysis of the budget. It compares the actual spending against the planned budget for each month. Any variances are noted and explained, such as an increase in utility costs due to a winter storm or a decrease in food expenses because of a change in eating habits.

Finally, the document concludes with a summary of the overall financial health. It highlights the areas where the budget was followed closely and identifies the areas that need more attention in the future. The author suggests several strategies to improve budgeting, such as using cash envelopes for discretionary spending and reviewing the budget regularly.

# PRESIDENT'S ADDRESS 2009

Welcome to the Annual General Meeting 2009. This is the election year and the membership will be electing the office bearers of the Twenty-second Council. The Twenty-first Council's term, 2007 to 2009, had been quietly eventful. The report card is given below.

## WORK OF THE TWENTY-FIRST COUNCIL

In the year under review, the College Council continued to make progress with the core activities of the College, dealt with ongoing and new government policies in practice matters, as well as managed the administration of the College Secretariat.

I would like to place on record my acknowledgment to the many family physicians who contributed as members of the Council, trainers in the various educational programmes of the College, committees, and work groups. Thanks are also due to the College Secretariat staff for their contributions in the administration of the training programmes, the College Council meetings and matters arising, as well as developmental matters of the College like the renovation of the College made necessary because of the MOH's need for space.

## College's core business

The following activities were dealt with through the office of the Executive Director, the Institute of Family Medicine, and the College matrix administrative structure.

- (1) Singapore Family Physician and Family Practice Skills Courses. In the two years, 5 issues of the Singapore Family Physician were produced. Each carried a Family Practice Skills Course aimed at providing the continuing professional development of our family physicians.
- (2) GDFM, MMed (FM), FCFP programmes. These programmes were conducted through the Institute of Family Medicine.
  - (a) The Graduate Diploma in Family Medicine. We had an enrolment of 100 doctors in 2008 and in the new batch for 2009-2011 we have an enrolment of 101 doctors.
  - (b) The MMed (FM) programmes. The College was directly involved training the Programme B candidates with the assistance of the training faculty from the Department of Family Medicine and Continuing Care, Singapore General Hospital, and also contributions from colleagues in the other hospitals. We had an enrolment of 13 trainees in the programme for 2008. The College also co-ordinate the group teaching sessions for the combined Programme A and Programme B trainees. In 2008, there were 33 trainees in Programme A.
  - (c) FCFP Programme. This is a two-year programme. In 2008, 14 trainees registered. From the 2007 batch, 9 will be sitting for their Exit Examination in July-August this year.

## Practice related matters feedback

In the term of office of the Council, College participated in the feedback on the following Government / MOH matters: (1) The H1N1-2009 Influenza outbreak pandemic preparedness, (2) Medical Registration Act, (3) Foreign graduates direct entry into the proposed Family Physician Register, (4) Integration of health care, (5) Aesthetic practice oversight, (6) Family Medicine training scheme for conditional registration doctors, (7) Mental Capacity Bill, and (8) Coroners' Bill.

## College administrative matters

The College administration functioned well with the matrix organization of activities headed by the Executive Director and Honorary Secretary. In the year under review, the College tenancy agreement with MOH was extended for another three years and renovation was required because of the need to return part of the space occupied by the College to MOH. A College Building Committee was also formed. The administration of JCFMT was handed back to MOH.

## TASKS OF THE INCOMING COUNCIL

The important tasks for the incoming Council among others will be: (1) the continuing effort to strengthen the recognition of the equitable worth of family physician by the public, press, policy makers, and profession; (2) the setting up of the accredited modular course programme for senior family physicians to meet the requirements of the Family Physician Register; and (3) the preparation and operational development needed for the continued implementation of the right siting of patients.

## A/Prof Goh Lee Gan

## **Graduate Diploma in Family Medicine**

The Graduate Diploma in Family Medicine (GDFM) is a vocational training certification for primary care doctors. The aim of this 2-year part-time trainee programme is to train primary care doctors to practise Family Medicine at an enhanced level to meet the needs of the child, the adolescent, the adult and the elderly. The course emphasises on basic clinical diagnostic and management skills essential to general practice.

The programme is planned to accommodate the busy doctor's schedule as almost all courses that require in-person attendance are conducted outside regular office hours. The course consists of the following:

- 8 modules of Family Medicine Modular Course (FMMC) with each comprising of 4 workshops (2 1/2 hrs each), 1 tutorial (1 hr each), online case studies and multiple choice assessments
- 4 Practice Management Courses (9hrs in all) and 1 elective Family Practice Skills Course (6 hrs)

The examination is conducted by DGMS, NUS and consists of :

- Written paper - Applied Knowledge Test /MCQ (2 hrs); Key Features Problems Paper (2 hrs)
- Skills Assessment in the Objective Structured Clinical Examination (OSCE), (2 hrs)

The GDFM (Singapore) is recognised by the Singapore Medical Council as a registrable medical qualification.

The College would like to congratulate the following doctors who were successful in the 2008 GDFM examination.

## Master of Medicine (Family Medicine)

There are currently two programmes to prepare doctors for the MMed (FM) examinations.

**Programme A** is a 3-year hospital and polyclinic based training programme generally for the younger doctors who have been awarded the Family Medicine traineeship. Within the 3 years the trainee must also complete the Family Medicine Modular Course conducted by the College.

**Programme B** is a structured training programme designed for mature practising family physicians in Singapore.

It is jointly organised by the College of Family Physicians Singapore and the Division of Graduate Medical Studies, National University of Singapore.

This 1-year part-time course provides a comprehensive and structured training programme for doctors working in primary care who have completed the 8 modules of the Family Medicine Modular Course (FMMC) to prepare them to sit for the MMed (FM) examinations.

The MMed (FM) examination is conducted by the DGMS, NUS and consists of:

- Written paper - MEQ, Essay, SAQ, Talk
- MCQ
- Slide interpretation
- Oral examination
- Clinical examination

The College would like to congratulate the following doctors who were successful in the 2008 MMed (FM) examinations.

## Albert and Mary Lim Award

The Albert and Mary Lim Award, first presented in 1974 in memory of the late Dr Albert Lim Liat Juay and his wife Mary Lim, was re-instituted in 1999.

This award is the highest accolade bestowed by the College for contribution and services rendered to the College and the discipline of family medicine.

The recipients of this award for 2008 was Dr Lee Suan Yew.

## CONTINUING PROFESSIONAL DEVELOPMENT / MEDICAL EDUCATION PROGRAMMES AND COURSES

The College promotes CPD and CME through the Family Medicine Modular Course, Family Practice Skills Course, MMed (Family Medicine) Programme B, Family Medicine Membership and Fellowship Programme.

The Institute of Family Medicine, an organ within the College, plays a significant role in developing the contents and syllabi of these programmes and courses.

During the year the IFM reviewed, updated and edited the notes as well as their e-learning components for Module 8, 1, 2, and 3 of the Family Medicine Modular Course to make them more relevant and user friendly to the course participants

The Family Medicine Modular Course consists of 8 modules of knowledge acquisition and is a requirement for doctors who are preparing for the Graduate Diploma in Family Medicine (GDFM) Programme and the Master of Medicine (Family Medicine) Programme A. Each year four modules are covered.

The notes for the modules are on the College's e-learning website and can be downloaded by the Family Medicine trainees. By having them online, the trainees can refer to these notes twenty-four hours a day

For the year April 2008-Mar 2009 there were 100 trainees registered in the GDFM course, 33 trainees in the MMed (FM) Prog A, 13 trainees in the MMed (FM) Prog B and 14 trainees in the Family Medicine Fellowship Programme.

### Family Practice Skills Course (FPSC)

During the year the College conducted five Family Practice Skills Courses.

The components of a skill course may include one or more of the following:

1. Distance Learning with verification (6 CME points)
2. Lectures (max of 2 CME points – 1 point for each seminar of 3 lectures)
3. Workshop (2 CME points)
4. Small group activities including clinical attachments, tutorials, ward-rounds
5. Assessments which can be written, oral, demonstration and/or clinical (for some courses)

A typical FPSC template is a course with six units of distance learning with verification of 30 MCQs, two seminars, and one workshop conducted over two afternoon sessions e.g., one Saturday afternoon and Sunday afternoon or two Saturday afternoons.

## E-Learning

The E-Learning programme launched in 2003 has been incorporated into the GDFM training programme. An E-Learning component for each module was introduced, consisting of therapeutic notes, case scenarios, assessment by MCQs and a case review to be put up by a tutorial group.

## Accreditation of core CME points

The College is represented by Dr Lee Kheng Hock and Dr Jonathan Pang in the SMC Maintenance of Competency Committee and Dr Lee Kheng Hock and Dr Matthew Ng in the SMC CME Co-ordinating Committee. The College works closely with the Singapore Medical Council to ensure that the quality of the CME events is acceptable. It continues to advise the SMC on the accreditation of core family medicine CME events through its panel of FM CME advisors appointed by the College.

## COLLEGE MIRROR

2009 saw a change in the editorial team for College Mirror. Dr Wilson Eu Tieng Juoh was appointed Editor for Team A and Dr Kiran Kashyap joined Team B Editorial Board. The College wishes to thank past editor Dr Shiau Ee Leng.

## SIGNIFICANT COLLEGE EVENTS

### Commencement of Academic Year 2008

As usual the academic year was inaugurated with a Commencement Ceremony which was held on 28 June 2008 at Health Promotion Board. The Guest of Honour was Prof Fock Kwong Ming, Master of Academy of Medicine Singapore.

There were 100 trainees in the GDFM course, 33 trainees in the MMed (FM) Prog A, 13 trainees in the MMed (FM) Prog B and 14 trainees in the Family Medicine Fellowship Programme registered.

### Convocation 2008

The Family Medicine Convocation Ceremony was held on 23rd November 2008 and the Guest of Honour was Mr Khaw Boon Wan, Minister for Health.

11 doctors were conferred the MCFP(S).

80 GDFM graduates and 23 MMed (FM) graduates were recognized.

### Annual General Meeting 2008

The College AGM held on 28th June 2008 was notable because we finally got a quorum after failed attempts in the past few years. To cap it all the quorum of two hundred voting members was a record in the history of the College.

The resolution to amend the quorum to fifty voting members or 1/8 of the total voting members, whichever is less and the resolution to introduce a new category of life membership were unanimously approved.

### College Building Committee

This was formed in July 2008 to advise the Council on acquiring a property or properties for investment or for use by the College.

Dr Tan See Leng is the chairman of the committee. The members are Dr Arthur Tan and Dr Lee Kheng Hock. The advisors are Dr Lee Suan Yew and A/Prof Goh Lee Gan.

### Extraordinary General Meeting

This was held on 25th October 2008 to seek members' endorsement/mandate for the purchase of a property or properties, incorporation of a private limited company to purchase, hold and manage the property/properties and the terms of reference of the board of trustees consisting of Dr Tan See Leng, A/Prof Lim Lean Huat, and Dr Arthur Tan.

## CFPS Holdings Pte Ltd

CFPS Holdings Pte Ltd is the company to purchase, hold, and manage the property or properties, and was incorporated on 23rd March 2009.

The board of directors are:

Executive Chairman	: Dr Tan See Leng
Executive Directors	: A/Prof Lim Lean Huat Dr Arthur Tan
Non Executive Directors	: A/Prof Goh Lee Gan Dr Cheng Heng Lee Dr Lim Fong Seng

### COUNCIL INITIATIVES

The Council met MOH and the CPF Workgroup on prescribing benzodiazepine to give feedback from the perspectives of GPs.

The Council arranged a meeting with MOH Holdings and College Members to discuss IT support for primary care doctors in the private and public sectors. The vision of an electronic health record of patients, where there could be clinical information flow between hospital and clinics, was discussed.

The Council submitted feedback to MOH on "MOH Conversations: Integrated Healthcare Services".

### COMMUNITY SERVICE ACTIVITIES

The Council reviewed and endorsed the following Clinical Practice Guidelines:

- Stroke and Transient Ischaemic Attacks
- Management of Genital Ulcers and Discharge
- Cancer Screening

### ACKNOWLEDGEMENTS

The 21st Council deeply appreciates and is grateful for the collaboration, support and sponsorship extended towards the College by:

- The Ministry of Health
- The Ministry of Community Development, Youth and Sports
- Office of Public Guardian
- Health Promotion Board
- Glaxo Smith Kline Pte Ltd
- AstraZeneca Singapore Pte Ltd
- Novo Nordisk Pharma (Singapore) Pte Ltd
- Alzheimer's Disease Association (Singapore)

The Council also acknowledge with deepest appreciation the invaluable advice and assistance rendered by :

- Our panel of Honorary Legal Advisors: Mr Edwin Tong and Mr Lek Siang Pheng
- Our Honorary Auditor: V. P. Kumaran

All that the College had achieved the past year could not have happened without the many willing hands and selfless hearts of our tutors, examiners, editorial board members of our various publications, committee members and specialist colleagues.

The 21st Council extends its best wishes to the incoming 22nd Council (2009-2011).

## INTRODUCTION

The Family Physician Register that was announced recently is a positive development that vindicated many of our members who persevered and pursued postgraduate training even when official recognition and support was lacking.

Recognition brings with it greater responsibilities and expectations. The College should prepare itself to meet the challenges of sustaining and improving our training programmes and making the best use of our limited resources.

## MEMBERSHIP

Membership of our College now stands at 1,368 members as of June 2009 compared to 1,348 members in the previous year. The distribution by grade of membership for the last four years are also shown below:

Membership Category	2006	2007	2008	2009
Honorary Fellows	12	12	12	10
Fellows	70	67	73	76

# REPORT OF THE INSTITUTE OF FAMILY MEDICINE (IFM)

1 APRIL 2008 - 31 MARCH 2009

Chairman : A/Prof Goh Lee Gan  
Members : Dr Cheng Heng Lee  
          : Dr Wong Tien Hua

The Institute of Family Medicine, set up within the College to provide the training and education support for the College, plays a role in developing the contents and syllabi of the Family Medicine Modular Courses and the quarterly Family Practice Skills Courses.

During the year, the IFM reviewed, updated and edited the notes as well as the e-learning components for Module 8, 1, 2, and 3 of the Family Medicine Modular Course. They have since been launched in the GDFM/MMedFM modular courses.

## The Family Medicine Modular Course

The Family Medicine Modular Course consists of 8 modules of study over two years. Each year four modules are covered.

Table 1 shows the modular courses taught between April 2008 and March 2009. Thanks are due to the Chairmen and Resource Persons for their contributions in the teaching programme.

## Family Practice Skills Course (FPSC)

The Family Practice Skills Courses serve the continuing professional development needs of the General Practitioner / Family Physician. We are able to run at least one course a quarter. See Table 2.

The components of a skill course may include one or more of the following:

1. Distance Learning with verification (6 CME points)
2. Lectures (max of 2 CME points – 1 point for each seminar of 3 lectures)
3. Workshop (2 CME points)
4. Small group activities including clinical attachments, tutorials, ward-rounds
5. Assessments which can be written, oral, demonstration and/or clinical (for some courses)

A typical FPSC template is a course with six units of distance learning with verification of 30 MCQs, two seminars, and one workshop conducted over two afternoon sessions e.g., one Saturday afternoon and Sunday afternoon.

During the year the College conducted 6 Family Practice Skills Courses.

Table 2. Participation in the Family Practice Skills Courses Apr 2008 to Mar 2009

Event Title	No. of Doctors Passed / Attended

## E-Learning

The E-Learning programme is a growing medium of CME activity delivery. Launched in 2003, it has been incorporated into the GDFM training programme. An E-Learning component for each module was introduced, consisting of therapeutic notes, case scenarios, assessment by MCQs and a case review to be put up by a tutorial group.

# REPORT OF THE ADMINISTRATION COMMITTEE

1 APRIL 2008 - 31 MARCH 2009

- Chairman : A/Prof Cheong Pak Yean  
Members : Dr Lee Kheng Hock  
: Dr Lim Fong Seng  
: Dr Cheng Heng Lee

The Secretariat headcount was stable. There was no resignation and a new staff member was recruited as the Administrative and Accounts Assistant. All the staff worked cohesively as a team.

The formal arrangement for the College to provide secretariat support to the Joint Committee for Family Medicine Training (JCFMT) with Ministry of Health (MOH) funding, started since September 2005, would end in May 2009. It was indeed an honour and privilege for the College to have had the opportunity to collaborate and work with the JCFMT and MOH on training for post graduate family medicine.

MOH had also kindly renewed the tenancy of the College in spite of them facing a space crunch, albeit for a smaller area. WONCA had also graciously decided to move out from our premises thus compensating to some degree for the space we had to return to MOH.

These developments necessitated renovations to be carried out to optimise the use of the remaining space for a lecture room to seat about forty people and a new work area for the staff.

The College is also grateful for the contributions of all the other staff who left and wish them all the best in their endeavours.

## REPORT OF THE MEMBERSHIP COMMITTEE

1 APRIL 2008 - 31 MARCH 2009

Chairman : Dr Jonathan Pang Sze Kang  
Members : Dr Cheng Heng Lee

The College Membership rose from 1,348 members in May 2008 to 1,368 members (as of June 2009).

Another eventful year just flew by. We have tried to increase our membership base through our many academic activities. Many have come to realize that 'membership has its privileges'.

We have also instituted the 'life' membership to reward our many loyal members who have stayed with us all this years. We have 113 members who qualified for life membership. They have been offered this special category of membership to thank them for their many years of support. They continue to enjoy all the benefits of being a member without having to pay any more membership fees.

The College has also tried to help all our doctors in terms of encouraging and expanding our training programmes to allow more who wish to further their training in Family Medicine. In view of the impending 'Family Physician Register' which will be gazetted when Parliament passes the amendments to the Medical Registration Act, it is timely that many more have chosen to join the College and enjoy substantial discounts in the programmes.

The College has also tried to link and provide support to all our doctors in times of need and stress in the ongoing Influenza A (H1N1-2009) outbreak occurring throughout the world. We have done a great deal and through our collaboration with the Ministry and the SMA rolled out several initiatives to assist our front line doctors.

With the vision of encouraging more doctors to be better trained and providing for 'one family doctor for all Singaporeans' it is envisaged that more will join us as members and take advantage of the benefits of our membership.

## **The Singapore Family Physician Journal**

The following Singapore Family Physician Journals were published in the past one year:

1. Diabetes Mellitus - Revisited: Vol 34 No 2, April – June 2008
2. Communicable Diseases of Community Importance: Vol 34 No 2 (Supplement), April – June 2008
3. Asthma Update 2008: Vol 34 No 3, July – September 2008
4. Nutrition Updates - What You Need to Know: Vol 34 No 4, October – December 2008
5. Gastrointestinal Diseases: Vol 35 No 1, January – March 2009

The last year has seen this journal producing articles of higher quality. We are grateful to the many contributors for submitting their articles promptly.

Producing a journal for practicing family physicians and for those in academia in family medicine is a challenge.

Many of us in practice have little time to keep ourselves updated professionally and would like a journal that addresses our immediate practical professional needs. We want quickie take-home message which we can apply straight-away in our offices and enhances patient care in tangible ways. We want to score our CME points so that we can renew our practicing license at the end of the two year cycle. Preferably, we would like to be entertained as well whilst we read the journal. Academics would like the journal to be more precise and technical in its presentation. Statistics abound and rigours of scientific analysis applied to each paper published.

Over the past year, we hope we have managed to meet the needs of both camps. We believe the editorial board has achieved some measure of success in this regard.

We continue to appeal to practicing family physicians to write and submit papers and reap the satisfaction of seeing their papers published in this journal. We do need more contributors from our own family physician community out there, whether in private practice or in the clusters.

Finally, I would like to thank A/Prof Goh Lee Gan, Dr Cheng Heng Lee, Dr Wong Tien Hua, Dr Shiau Ee Leng, Dr Wilson Eu, Ms Linda Marelie & members of the Editorial Board for their untiring efforts in producing each issue on time. I would like to thank all contributors who so painstakingly write succinct articles relevant to the family physician, at the cost of their time and trouble. Without all of you, this journal would not have been possible.

# REPORT OF THE INTERNATIONAL COMMITTEE

1 APRIL 2008 - 31 MARCH 2009

Chairman : A/Prof Goh Lee Gan  
Members : A/Prof Cheong Pak Yean  
: Dr Lee Kheng Hock

## TERMS OF REFERENCE

This Committee was set up in July 2001 with the following terms of reference:

1. To advise the College Council on developments in Family Medicine in the international scene;
2. To implement activities decided by Wonca World & Wonca Asia Pacific Region;
3. To implement bilateral activities in Family Medicine teaching, research and practice.

## FAMILY MEDICINE DEVELOPMENTS IN THE INTERNATIONAL SCENE

The 19th Wonca World Conference will be held in 2010 in Cancun, Mexico. The theme of the Conference is "Millennium Development Goals: the contribution of Family Medicine". The Scientific Committee invites would be participants to submit abstracts and to be part of the Scientific Programme of this international event.

## ACTIVITIES IN ASIA PACIFIC REGION

In the year under review from 1 April 2008 and 31 March 2009, the the combined conference of the Asia Pacific Region of the World Organization of Family Doctors (Wonca) and the Annual Conference of The Royal Australian College of General Practitioners was held in Melbourne on October 2-5, 2008. Nearly 1500 delegates from 46 nations participated in the conference. Several delegates from Singapore participated.

The 2009 Wonca Asia Pacific Regional Conference will be held in Hong Kong on June 5-8, 2009. A/Prof Goh Lee Gan has been invited to give the Wes Fabb Oration 2009. The title of his Oration is "Connecting Care as the Next Conceptual Leap in Family Medicine.

## BILATERAL ACTIVITIES

The Asia Pacific Primary Care Research Conference 2009 will be held from 5-6th December in Malaka. Registration is now open.

# REPORT OF THE UNDERGRADUATE TEACHING COMMITTEE

1 APRIL 2008 - 31 MARCH 2009

Chairman : A/Prof Lim Lean Huat  
Members : A/Prof Goh Lee Gan  
: Dr Ajith Damodaran

The undergraduate family medicine posting continues to be a four-week posting with two weeks spent in the GP clinic and two weeks in the Polyclinic. Within these 4 weeks there were one-day attachment to the community hospital and two-day palliative care programme.

The success of the postings depended on the many family medicine tutors, polyclinic tutors, and tutors in the community hospitals and in the palliative care units. We would like to place our thanks for the contributions by the tutors listed below.

## REPORT OF THE FINANCE COMMITTEE

1 APRIL 2008 - 31 MARCH 2009

Chairman : Dr Lim Fong Seng  
Members : A/Prof Cheong Pak Yean  
: Dr Cheng Heng Lee

The College is on a sound financial footing during the period 1 April 2008 to 31 March 2009.

Revenue from our courses and seminars contributed to 48.6% of our total revenue while sponsorships contributed 19.9% to our total revenue. Subscriptions contributed 18.4%. These 3 items together account for close to 87% of our revenue. College recorded an accumulated surplus of \$ 621,622 brought about by a gross revenue of \$1,146,224 and an expenditure of \$524,602.

As the college is a not-for-profit organisation, its financial investment policy is conservative and risk-averse. In this respect the College relies mainly on interests generated by fixed term deposits.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
COLLEGE OF FAMILY PHYSICIANS SINGAPORE

We have audited the accompanying financial statements of the College of Family Physicians Singapore, which comprise the balance sheet as at 31 March 2009, the income statement and cash flow statement for the year then ended, and a statement of significant accounting policies, and where applicable, notes to the financial statements.

Management is responsible for the preparation and the presentation of these financial statements in accordance with the provisions of the Companies Act and Singapore Financial Reporting Standards. This responsibility includes the design, implementation and maintenance of adequate internal control systems that may be required to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**AUDITOR'S REPORT**

**COLLEGE OF FAMILY PHYSICIANS SINGAPORE**  
**(REGISTERED IN SINGAPORE)**  
**REG NO. 138/71TAP**

**ANNUAL FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED**  
**31 MARCH 2009**

- (a) devising and maintaining a system of internal control that may be required to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error;
- (b) selecting and applying accounting policies in accordance with the provisions of the Companies Act and Singapore Financial Reporting Standards; and
- (c) making accounting estimates that are reasonable in the circumstances.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing, which are based on International Standards on Auditing issued by the International Auditing and Taxation Association. These standards require that we comply with ethical requirements and plan and perform our audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In response to those risks, the auditor designs and performs audit procedures that are responsive to the risks of material misstatement. An audit also involves the exercise of professional judgment in the selection and application of accounting policies, the assessment of the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
COLLEGE OF FAMILY PHYSICIANS SINGAPORE**

We have audited the accompanying financial statements of the College of Family Physicians Singapore, which comprise the balance sheet as at 31 March 2009, the income and expenditure statement, statement of changes in accumulated fund, miscellaneous funds and revaluation reserve and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

*Managements' Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Societies Act and Singapore Financial Reporting Standards. This responsibility includes:

- a) devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transaction are properly authorised and that they are recorded as necessary to permit the preparation of true and fair income statement, balance sheets and to maintain accountability of assets;
- b) selecting and applying appropriate accounting policies; and
- c) making accounting estimates that are reasonable in the circumstances.

*Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2009**

---

These notes form an integral part of the financial statements.

The financial statements were authorised for issue by the Management on 29 May 2009.

**1) DOMICILE AND ACTIVITIES**

The College of Family Physicians Singapore (the College) is registered in the Republic of Singapore under the Societies Act Cap 151 and has its registered office and principal place of business at:

16 College Road  
# 01-02 College of Medicine Building  
Singapore 169854

The principal activities of the College are:

- i) Advance the art and science of medicine.
- ii) Discuss medical and scientific problems
- iii) Assist in providing post graduate study courses
- iv) Arrange for and/or provide instructions for undergraduate or post graduate students
- v) Promote and maintain high standards of family practice of medicine.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**2.1 Basis of preparation**

The financial statements have been prepared in accordance with Singapore Financial Reporting Standards ("FRS").

The financial statements have been prepared on the historical cost basis, except for the following assets and liabilities which are measured at fair value: certain plant and equipment, certain financial assets and financial liabilities.

The financial statements are presented in Singapore Dollars which is the College's functional currency.

The preparation of financial statements in conformity with FRS requires managements to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.1 Basis of preparation (continued)**

The fund accounts which are created for the purpose of assets creation are include under miscellaneous and accumulated funds of the College.

***New accounting standards and interpretations not yet adopted***

The College has not applied the following accounting standards (including their consequential amendments) and interpretations that have been issued as of the balance sheet dated but are not yet effective:

- FRS 1 (revised 2008) *Presentation of Financial Statements*
- FRS 23 (revised 2007) *Borrowing Costs*
- Amendments to FRS 32 *Financial Instruments: Presentation and FRS 1 Presentation of Financial Statements – Puttable Financial Instruments and Obligations Arising on Liquidation*
- Amendments to FRS 101 *First – time Adoption of Financial Reporting Standards and FRS 27 Consolidated and Separate Financial Statements – Cost of an Investment in a Subsidiary, Jointly Controlled Entity or Associate*
- Amendments to FRS 102 *Share-based Payment – Vesting Conditions and Cancellations*
- FRS 108 *Operating Segments*
- Improvements to FRSs 2008
- INT FRS 113 *Customer Loyalty Programmes*
- INT FRS 116 *Hedges of a Net Investment in a Foreign Operation*

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.1 Basis of preparation (continued)**

***New accounting standards and interpretations not yet adopted (continued)***

FRS 1 (revised 2008) will become effective for the College's financial statements for the year ending 31 March 2009. The revised standard requires an entity to present, in a statement of changes in equity, all owner changes in equity. All non-owner changes in equity (i.e. comprehensive income) are required to be presented in one statement of comprehensive income or in two statements (a separate income statement and a statement of comprehensive income). Components of comprehensive income are not permitted to be presented in the statement of changes in equity. In addition, a statement of financial position is required at the beginning of the earliest comparative period following a change in accounting policy, the correction of an error or the reclassification of items in the financial statements. FRS 1 (revised 2008) does not have any impact on the College's financial position or results.

Other than the change in disclosures relating to FRS 1 (revised 2008), the initial application of these standards (including their consequential amendments) and interpretations is not expected to have any material impact on the College's financial statements. The College has not considered the impact of accounting standards issued after the balance sheet date.

The management Committee expects that the adoption of these FRS and INT FRS in the initial period of application will have no material impact on the financial statements.

**2.2 Plant and equipment**

Plant and equipment are stated at cost less accumulated depreciation and impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of plant and equipment have different useful lives, they are accounted for as separate items (major components) of plant and equipment.

The cost of replacing parts of an item of plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will follow to the College and its cost can be measured reliably. The cost of the day-to-day serving of plant and equipment are recognised in the income statement as incurred.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.2 Plant and equipment (continued)**

Depreciation on plant and equipment is recognised in the income statement on a straight-line basis over the estimated useful lives (or leased term, if shorter) of each part of an item of plant and equipment.

The estimated useful lives are as follows:

▪ Furniture and fittings	3 to 5 years
▪ Office equipment	1 to 3 years
▪ Other assets	3 years

Other assets include painting, potteries, tapes, library, books and other minor assets.

No depreciation is provided for paintings and potteries as they appreciate in value.

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

**2.3 Inventories**

Inventories are stated at the lower of cost and net realisable value. Cost is calculated using the weighted average cost formula and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of production overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

**2.4 Financial Instruments**

***Non-derivative instruments***

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other receivables, cash and cash equivalents, financial liabilities, and trade and other payables.

Non-derivative financial instruments are recognised initially at fair value plus, for instruments not at fair value through profit or loss, any directly attributable transaction costs. Subsequent to initial recognition, non-derivative financial instruments are measured as described below.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.4 Financial Instruments (continued)**

*Non-derivative instruments (continued)*

A financial instrument is recognised if the college becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the college's contractual rights to the cash flows from the financial assets expire or if the college transfers the financial asset to another party without retaining control or transfers substantially all the risks and rewards of the asset. Regular way purchases and sales of financial assets are accounted for at trade date, i.e., the date that the college commits itself to purchase or sell the asset. Financial liabilities are derecognised if the college's obligations specified in the contract expire or are discharged or cancelled.

Cash and cash equivalents comprise cash balances and bank deposits. Bank overdrafts that are repayable on demand and that form an integral part of the college's cash management is included as a component of cash and cash equivalents for the purpose of the cash flow statement.

*Financial assets at fair value through profit or loss*

An instrument is classified as at fair value through profit or loss if it is acquired principally for the purpose of selling in the short term or is designated as such upon initial recognition. Financial instruments are designated as fair value through profit or loss if the college manages such investments and makes purchase and sale decisions based on their fair value in accordance with the college's documented risk management and investment strategies. Upon initial recognition, attributable transaction costs are recognised in the income statement when incurred. Financial instruments at fair value through profit or loss are measured at fair value, and changes therein are recognised in the income statement.

*Held-to-maturity investments*

If the college has the positive intent and ability to hold debt securities to maturity, they are classified as held-to-maturity. Held-to-maturity investments are measured at amortised cost using the effective interest method, less any impairment losses.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.4 Financial Instruments (continued)**

*Non-derivative instruments (continued)*

*Available-for-sale financial assets*

The college's investments in certain equity securities and debt securities are classified as available-for-sale financial assets if they are not classified in any of the other categories. Subsequent to initial recognition, they are measured at fair value and changes therein, other than for impairment losses, and foreign exchange gains and losses on available-for-sale monetary items, are recognised directly in equity. When an investment is derecognised, the cumulative gain or loss in equity is transferred to the income statement.

*Other*

Other non-derivative financial instruments are measured at amortised cost using the effective interest method, less any impairment losses.

*Share capital*

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

When share capital recognised as equity is repurchased (treasury shares), the amount of the consideration paid, including directly attributable costs, net of any tax effects, is presented as a deduction from equity. Where such shares are subsequently reissued, sold or cancelled, the consideration received is recognised as a change in equity. No gain or loss is recognised in the income statement.

**2.5 Impairment of assets**

*Financial assets*

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.5 Impairment of assets (continued)**

***Financial assets (continued)***

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate. An impairment loss in respect of an available-for-sale financial asset is calculated by reference to its current fair value.

Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristic.

All impairment losses are recognised in the income statement. Any cumulative loss in respect of an available-for-sale financial asset recognised previously in equity is transferred to the income statement.

Impairment losses in respect of financial assets measured at amortised cost and available-for-sale debt securities are reversed if the subsequent increase in fair value can be related objectively to an event occurring after the impairment loss was recognised.

Impairment losses once recognised in the income statement in respect of available-for-sale equity securities are not reversed through the income statement. Any subsequent increase in fair value of such assets is recognised directly in equity.

***Non-financial assets***

The carrying amounts of the college's non-financial assets, other than investment properties, inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amounts are estimated.

An impairment loss is recognised if the carrying amount of an asset or its cash-generating unit exceeds its estimated recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups. Impairment losses are recognised in the income statement unless it reverses a previous revaluation, credited to equity, in which case it is charged to equity.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.5 Impairment of assets (continued)**

***Non-financial assets (continued)***

Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit (group of units) on a pro-rata basis.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognized.

**2.6 Leases**

***When the college is a lessee of an operating lease***

Where the college has the use of assets under operating leases, payments made under the leases are recognised in the income statement on a straight-line basis over the term of the lease. Lease incentives received are recognised in the income statement as an integral part of the total lease payments made. Contingent rentals are charged to the income

**2.7 Employee benefits**

***Defined contribution plans***

Defined contribution plans are post-employment benefit plans under which the company pays fixed contributions to the Central Provident Fund on a mandatory, contractual or voluntary basis. The college has no further payment obligations once the contributions have been paid. The college's contributions are recognised as employee compensation expense when they are due, unless they can be capitalised as an asset.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.7 Employee benefits (continued)**

***Employee leave entitlement***

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the balance sheet date.

**2.8 Provisions**

A provision is recognised if, as a result of a past event, the College has present legal or constructive obligation that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

**2.9 Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the College and the revenue can be reliably measured.

Members' annual subscription are recognised when due.

Course fees (from continuing professional education and training) are recognised when the services are rendered.

Advertising income is recognised when advertisement is placed.

Interest income is recognised as the interest accrues based on effective interest rate method unless collectibility is in doubt.

Management fee charged by the College is recognised when due.

**2.10 Finance income and expenses**

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues, using the effective interest method.

Finance expenses comprise interest expense on borrowings and unwinding of the discount on provisions. All borrowing costs are recognised in the income statement using the effective interest method, except to the extent that they are capitalised as being directly attributable to the acquisition, construction or production of an asset which necessarily takes a substantial period of time to be prepared for its intended use or sale.

**2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**2.11 Grants and sponsorship**

Grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching condition will be complied with. When the grant relates to an expense item, it is recognised in the Income and Expenditure Statement over the periods necessary to match them on a systematic basis, to the costs, which it is intended to compensate. Where the grant relates to an asset, the fair value is credited to a deferred income account and is released to the Income and Expenditure Statement over the expected useful life of the relevant asset by equal annual installments.

**2.12 Income tax expenses**

The Society has been registered as a Society under the Societies Act. With effect from the Year of Assessment 2008, the requirement for Society to spend at least 80% of their annual receipts on charitable objects in Singapore within 2 years in order to enjoy income tax exemption has been removed. As a registered and exempt charity it will enjoy automatic income tax exemption.

**20) RISK MANAGEMENT**

The main risks arising from the College's financial management are interest rate risk, credit risk and liquidity risk. The Council reviews and agrees policies for managing each of these risks and they are summarised below:

**Interest rate risk**

The College is exposed to interest rate risk through the impact of rate changes on fixed deposits.

**20) RISK MANAGEMENT (CONTINUED)**

**Credit risk**

The College involves the risk that counterparties may be unable to meet the terms of their agreements. The College has no major concentration of credit risk.

The College places its cash and fixed deposits with creditworthy institutions.

The carrying amount of financial assets recorded in the financial statements, net of any provision of losses, represents the College's maximum exposure to credit risk.

**Liquidity risk**

In the management of liquidity risk, the College monitors and maintains a level of cash and bank balances deemed adequate by the Management to finance the College's operations and mitigate the effects of fluctuations in cash flows.

**Foreign currency risk**

The College has no significant exposure to foreign currency risk.

**Fair value of financial assets and financial liabilities**

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their respective net fair values.

## HERALDRY OF THE COLLEGE

---

**T**he upper portion of the badge of the College consists of a golden lion in a passant stance superimposed on the chief which is red in colour.

**T**he lion represents our nation of Singapore. Red is the colour of blood which is the precious liquid on which life depends and which is our mission to save.

**T**he lower portion of the badge consists of a green cross superimposed on a white shield. The green cross symbolizes the humanitarian mission of our College. White is the colour of purity which is our aim.

**O**n the green cross is superimposed an open book and a caduceus. The open book represents knowledge and continued learning and the caduceus is the recognized symbol for the art of healing.
